Our Club

Keilor Park Tennis club was established by the local community in 1977. Initially 2 tennis courts were constructed and then a further two courts a few years after that. The club shared the football rooms for a while until funds were granted to build the club house which is still being used today. Some of the original members who formed the club in 1977 are still active playing members today. We thank them for their time and effort.

We welcome all new and prospective members to the club at any time. You will find that Keilor Park is a very family orientated club with a large family membership base. Tennis is a wonderful sport for all ages and ability levels. It is also a sport that can be played for a lifetime and we offer the opportunity for anyone to start no matter what your playing level may be. We hope you enjoy our facilities and your tennis.

- Courts with LED Sports Lighting
 - 2 Synthetic Grass Courts
 - 2 Entoutcas Courts
- Club rooms with toilets and full kitchen facilities
- Car Parking right next to the courts
- Stadium Drive, off Keilor Park Drive in Keilor Park
