Bricklaying

We offer expert bricklaying services that combine craftsmanship, precision, and durability. From feature walls to full-scale construction, our work is designed to enhance both the structural integrity and aesthetic appeal of your project.

Our bricklaying services include:

- New Home Construction
- Extensions & Renovations
- Feature & Facade Walls
- Garden & Boundary Walls
- Fireplaces & BBQ Areas
- Brick Fences & Piers

We work with a wide range of brick types, colours, and patterns to suit your style and project requirements. Whether you're after a modern finish or a more traditional look, Stax Bricklaying delivers high-quality results — on time, on budget, and built to last.

Brick Pointing

Over time, weather and age can cause mortar joints to deteriorate — that's where our brick pointing services come in. At Stax Bricklaying, we expertly restore and repair mortar joints to improve both the appearance and structural integrity of your brickwork.

Our brick pointing services include:

- Repointing Weathered or Cracked Joints
- Mortar Matching for Heritage Work
- Brickwork Restoration and Repairs
- Preventing Water Ingress and Damp
- Improving Structural Stability and Longevity

Whether it's a heritage home, a garden wall, or a commercial building, we approach each project with precision and care, ensuring a seamless finish that blends perfectly with existing brickwork. Trust Stax Bricklaying to bring new life to old walls.

Brickwork Demolition & Removal

Need to remove damaged or outdated brickwork? Stax Bricklaying provides safe, efficient demolition and removal services to prepare your site for new construction or renovation. Whether it's a small section or a full wall teardown, we handle the job with care and precision.

Our demolition services include:

- Removal of Damaged or Unsafe Brickwork
- Selective Demolition for Renovation Projects
- Site Preparation for New Builds or Extensions
- Clean Brick Salvaging (if required)
- Responsible Waste Disposal

We prioritise safety, structural integrity, and minimal disruption to surrounding areas. With the right tools and experience, Stax Bricklaying ensures your site is cleared and ready for the next phase — quickly and professionally.

Brick Cleaning

We offer expert brick cleaning services to restore the natural beauty of your brickwork. Whether it's newly built or aged over time, our cleaning process removes dirt, stains, mortar residue, and environmental buildup — leaving your bricks looking fresh and renewed.

Our brick cleaning services include:

- Post-Construction Mortar & Cement Removal
- High-Pressure Washing
- Acid Wash Treatments
- Graffiti & Stain Removal
- Restoration of Heritage and Aged Brickwork

We use safe, effective methods tailored to your specific brick type to avoid damage and ensure a clean, consistent finish. Whether for a single wall or an entire building, Stax Bricklaying delivers professional results that enhance curb appeal and preserve the integrity of your brickwork.

Brick Fences

Add timeless style, security, and value to your property with a professionally built brick fence from Stax Bricklaying. Whether you're after a classic design or a modern look, we build fences that are as strong and durable as they are visually impressive.

Our brick fence services include:

- Front Boundary Fences
- Brick Piers & Infill Panels
- Letterbox & Gate Integration
- Rendered or Face Brick Finishes
- Custom Designs to Match Your Home

We work closely with homeowners, builders, and landscapers to ensure every fence complements the surrounding space and meets council regulations. With expert craftsmanship and a focus on quality, Stax Bricklaying builds fences that stand the test of time.

Architectural Brickwork

At Stax Bricklaying, we specialise in high-end **architectural brickwork** that showcases craftsmanship, creativity, and attention to detail. From intricate patterns to striking structural features, we bring your architectural vision to life with precision and flair.

Our architectural brickwork services include:

- Feature Walls & Facades
- Curved & Angled Brickwork
- Custom Bond Patterns & Textures
